

March 23, 2025, Adoration Chapel

Dearest Jesus, present in the most Blessed Sacrament, I adore You, I praise You, I love You! What a profound mystery You are my hidden Jesus. Oh, how I love You. I love You in my joy, in my sorrows and in the quiet light of this peaceful chapel. I love You, my Lord and My God, my everything, my all. Thank You for this opportunity to adore You, almighty and eternal God. Lord, please be with our family during this time, during these trials. Help our daughter, Lord. Give her the graces she needs to begin anew, to heal and to live united with You. Bless (name omitted) during this time of promise and hope. Give (names omitted) wisdom and holiness. Be with (name omitted) as she prepares to enter the Church during the Easter Vigil. Lord, I pray also for (name omitted) that she will be confirmed as well. Lord, I ask special graces for (name omitted), that she will be reunited with You and Your Church. Please put Your healing hands on my (name omitted) and restore his health and renew his energy. Thank You for my family, for each grandchild and great grandchild. Be with (name omitted). Protect them and the little ones growing in (name omitted) womb. Give her health, stamina and joy, Lord. May each person in our family, all our relatives come to know and love You and to experience You in a special way during this Lenten season. May our world experience Your peace, the heavenly peace that only comes from You, my Jesus.

“My Child, My little one, thank you for your visit today. Thank you for overcoming your desire to remain at home to rest. I give you many graces for your desire to please Me and to keep company with Me.”

Thank You, Lord. I don't deserve graces for having been given the opportunity of a lifetime - to spend this present moment with God! Still, I know Your love and generosity cannot be outdone. By Your very Nature, Your benevolence for creatures, You shower us with graces. It is because You are a perfect Savior, a perfect Friend, a perfect Prince of Peace that You cannot contain Yourself. You are unable to withhold love from us, My Jesus. Thank You for Your love. Thank You for the graces You give to me and to all of Your children. May my soul be open to receive them so that I will grow closer to You, My God.

“My Child, My Child, prepare Your heart during the remaining weeks of Lent. This Lent will be a cherished memory for you and your family. Offer each hardship, each trial, each time of suffering to Me. Unite it to My Cross. Do not waste your suffering, My children, but unite it to Me on the cross, the instrument of your salvation, for the sake of souls. This time of trials brings numerous opportunities for My children to grow in holiness. Do you struggle with overcoming temptation? I showed you how to overcome this. Read My Word, little children, I am Your model. Do you struggle with rejection and betrayal? I experienced rejection and betrayal. Unite this to Me, My little children. Do you suffer physical or emotional pain? I understand, for I suffered great pain during My Passion, both physical and emotional pain. Do you suffer from financial poverty? I was born into poverty, My children. Offer this to Me. You are richer than you can fathom when you unite this to Me. You are rich in mercy, My children and this will give you eternal treasure. Be My light. Allow the love of God to fill your hearts and souls. My love will heal every wound. Allow space for Me in your hearts, no matter how broken they may be. I will use your pain to help other souls and I will replace your pain with love, peace and joy. Yes, My children, I will restore your joy. I can do this and I will do this. First, you must be willing to

give Me your pain, your brokenness. You must do this, My children who are suffering. There is no room for healing of emotions when one holds onto the pain. Release it to Me and allow Me to pour My healing balm into your wounds. Allow Me to give you, My peace. This peace is unlike anything the world has to offer for this peace comes from My Sacred Heart. My children, I created you for love. Do not cast your pearls to swine and allow yourselves to be trampled on by those who do not know the Love. I am love and all love is Me. Do not accept cheap imitations, My children. You must learn to listen to My voice so that you will not be misled. The father of lies offers My children damaged property to lure you away from the heavenly Kingdom and the treasure that awaits you. I offer you precious blessed gifts. You must learn to discern good from evil. Read Sacred Scripture and be immersed in prayer. In this way, you will recognize My voice. You will learn the language of God which is love, authentic love, the love of God. Frequent the Sacraments for ongoing healing, grace and light. There, My children encounter Me. Be at peace. Do not fear. I am with You. So many people in the world are hurting. They are starving for love. Bring them My love, My mercy, My peace. Love one another as I love, My children. Be holy. Grow in the wisdom and knowledge of God. Beautiful times await you. First, you must pass through the storms that are coming, My beloved children. You will do this with My Blessed and Most Holy Mother Mary, with St. Joseph, the protector of My one holy Catholic and Apostolic Church. My Holy Spirit will guide guard and protect all those who are united to Me. Do not be afraid. The Holy Spirit gives you much more power than you realize. Be of good cheer even in the midst of turmoil. For I am with you. Keep your eyes on Me.”

“This is all for now, My Child. Remain close to Me in prayer this week. I am with you. Be also with Me.”

Yes, My Lord and My God. Help me to be all that You want me to be, for You, My Jesus. I am nothing without You, Lord. Use me as Your instrument of love in whatever way You desire, so that when others look at me, You are all they see. Thank You for the Sacraments, Lord. Thank You for holy Mass. I love You!

“And, I love you. I bless you in the Name of My Father, in My Name and in the Name of My Holy Spirit. Go in peace, My Little One. Trust in Me. All will be well.”

Amen, My Lord. Praise be Jesus Christ, now and forever!
