

October 15, 2022 Adoration Chapel

Hello my dear Jesus ever present in the Blessed Sacrament. I love, praise and adore You my Lord, God and King! Thank You for Holy Mass and Holy Communion, Lord. It was so beautiful and always very meaningful, Lord. How can I ever thank You for Your sacrifice and death on the cross for My salvation? I'm truly sorry for my sins, Jesus. Thank You for the gift of Reconciliation yesterday. Thank You for all the Sacraments and for the One True Holy Catholic and Apostolic Faith. Lord, I pray for all who are outside of Your Church. Lead them home, Jesus where we will all be united in one Faith, one Baptism. I pray for all who have died recently; for (names withheld) and for all who have died in our families. I pray for the Holy Souls in Purgatory and for all who will die today and tonight especially those who are unprepared for their deaths. Lord, give graces for healing and conversion for Your Church and Your Children of Light as well as for those who do not know the love of God. Protect all who are travelling and bring them safely home. Jesus, be with me each day especially when I am at work. Cover me with Your precious blood so that when others look at me, You are all they will see. Allow me to be an instrument and light for You, Lord. My God, I entrust our children and grandchildren to You. May Your Holy Will be done in all our lives.

Jesus, have You anything to say to me? I am Your willing servant. I give my life, my work, my heart and everything I have to You. I love You, my Lord and my beautiful God.

“My child, My child I love you. Thank you for your visit today. I have said this before but I will repeat it; I await My children in Adoration chapels all over the world. My holy priest sons make it possible through the act of Consecration and through cooperation as they preside at Holy Mass. I am transubstantiated on the Altar. The bread becomes My true flesh, body, blood, soul and divinity for the life of the world. When My children consume the Holy Eucharist where I am truly present (really and substantially present) I live in them and they in Me. Pray for the opening of your hearts, My children to be more fully aware and for your little souls to sense more deeply My presence within you. In this way you have a share of My life on earth. My children, think of how very blessed you are. The patriarchs and saints of old did not live to experience Holy Communion. They longed to see the Messiah, the Redeemer and you are able to communicate and receive Me in the Sacrament of the most Holy Eucharist. How blessed, how favored you are. Pray for those who do not believe in My presence in the Eucharist. Pray especially for those Catholic Christians who do not believe. They sadden Me deeply for they have been given the richness and fullness of the Faith and yet even they do not believe. If all My children who are Catholic truly believed in the deposit of Faith handed down from Me to My holy Apostles, the entire world would be experiencing much less darkness, more souls would have already converted, there would be more vocations and the Church would be flourishing.”

“Children of Light there is much resting on your ‘yes’ to God. You do not realize how even small acts of faith, penance, sacrifices, fasting and simple acts of charity can change the world. I give My children much power through the Sacraments, but you often thwart My action by your lack of faith and trust in Me. I invite you to a more lively faith in Me. I invite you to more love, more hope, more joy. Yes, the world is dark, but I am the Light. You are acquainted with the light, the truth, the mercy, the love; therefore, what do you have to fear, My children? My Mother and I have given you many graces, and we pour out our love on you and your families. Accept our love. Accept our friendship. Walk with us under the protective mantles we extend to you and walk with courage. Be joyful for all the Father has given you. Be aware of the movement of the Holy Spirit in your lives. Live now for God, My children. There is nothing else worth living for and you will be filled with great joy when you enter into Our Heavenly Kingdom. You will not regret a single sacrifice made for God out of love. Keep your eyes on Heaven and you will receive guidance from Me. Walk in My light and have nothing to do with sin and darkness. Pray as I have asked you. Frequent the holy Sacraments, read Scripture and fast as My Mother has taught you. Be steadfast in the Faith. All will go well for you, My beloved children when you remain united to Heaven. Remember to ask the saints who are your big brothers and sisters in the Lord, to intercede for you. They are active participants as the Church Triumphant in praying for the Church on earth. Do not fear but only trust. Fear does not come from God. My children I love you. If you have fallen down in your prayer life, I invite you to begin anew. Start today, My children. Prayer is absolutely necessary for you. It is just as

important as eating and drinking. The body will die without proper food and water. The soul will die without prayer and Holy Communion. You know this, My children, but I am reminding you. So many have forgotten this. See how much I love you? And, I invite you to love Me more deeply.”

“That is all for now, My little lamb. Allow me to console your heart. I am with you and I will never abandon you. My son, (name withheld) I desire that you forgive. I know you want to do so. Speak to Me about each disappointment and I will comfort you. People acted against My Will, My son. This has happened since the beginning of man’s walk with God. Be at peace. I know all things, see all things and I am the answer. Give everything to Me. Allow Me to work in your heart, to love and to forgive. Trust in Me. I am a just and merciful God, the only God and I am in control. I bless you both in the name of My Father, in My name and in the name of My Holy Spirit. Go now in peace. All will be well!”
