Hello, dearest Jesus present in the Most Blessed Sacrament of the Altar! Thank You for Holy Mass and Communion this morning. I am very grateful for the opportunity to attend Mass and receive Holy Communion. Thank You, Lord. Please continue to allow us to attend the Holy Sacrifice of the Mass, Lord even with all that is to come. Please make a way for us, Lord. Jesus, thank You for my family and friends. Thank You for all I encountered this week and for all I will encounter next week. May Your grace fill me so that I can be a light to those I encounter. May all who see me, see only You in me and may I detect You in every person. I love You, Lord and yet I know I do not love You enough. Increase the size of my heart so that I can love You more and more. Even better, give me Your heart, so that I can love with Your love. Jesus, heal the man who is in Adoration. He must have some kind of respiratory illness. Breathe the Holy Spirit into his lungs, Jesus and heal him. Protect my husband so he does not catch whatever the poor man has. All praise, honor, glory and adoration be Yours, as You so much deserve. May all people love and adore You where You are present in every tabernacle in the world. Lord, allow me to live for You and die for You, all for Your precious and most Sacred Heart, Jesus. Jesus, I trust in You. Jesus, I trust in You. Jesus, I trust in You. Lord, You know all that is on my heart. I lay each intention at Your feet and entrust them to You. I pray for an end to the wars, to all violence and for conversion for all who do not love You. May all who are separated from the Church return to the One True Holy Catholic and Apostolic Church.

Lord, is there anything You desire to say to me?

“My child, please write. Many are the messengers I have given and am giving messages to regarding the need to convert. There are still countless souls far from Me who do not heed My invitations to return to God. Many souls are headed for hell by their own choosing. This is not My Will, but their will. God the Father has sent My Most Holy Mother Mary to the world to reach souls. Some have converted, but many do not. Of those who converted, many have fallen away. Does this remind you of the parable of the seed sown in rocky soil, My daughter?”

Yes, my Jesus. I was just thinking of this.

“My children, you must convert while there is still time. Do not wait any longer. There are ‘natural’ disasters occurring and many people who die of natural causes. These alone should give you pause to reflect on the state of your souls. Examine yourselves and see, My children where you have wronged your neighbor, whether you live principally for yourself, or focus on material goods rather than the Kingdom of God. My children, some of you live for entertainment, parties, promotions, drugs, alcohol, pornography and countless other idols. You, My lost little sheep are not living for God, but instead for your false gods. You must repent of your sins and turn to Me. Do not excuse yourselves by blaming others. Yes, there are people who have hurt you and at times abused you. There are many wounds My children carry in their hearts and minds. The only answer, the only remedy, My little lost children, is Me. I can heal all your wounds. I can and I will. You must will it. You must decide for Me, the Christ who died for your sins so that you could be healed, forgiven and can enter My Kingdom. The first step is to admit your sins, confess them and turn to Me for forgiveness. If you are Catholic you must go to Confession as soon as possible (right away). Do not procrastinate, for you know not the day nor the hour, your life on the earth will end. Then you will be called to give an account of your life. That will be your particular judgement. You will stand alone before God. Come then. Be decisive now and determined to turn your back on your evil ways. Run to Me, My children. I am waiting with open arms. I will forgive you, heal you, love you and I will give you peace like you have never felt before. It is that simple. Why do you listen to the Father of Lies when your true Father is the Creator of all life, the one true God of all mankind, who sent His Son to die for you out of His great love and mercy? You cannot begin to fathom My great love for your soul that I bought for a dear price. I laid My own life down for you, so that you may have eternal life. Come, follow Me. Inherit the Kingdom and the place I have prepared for you. My children, I know many of you will continue to turn a deaf ear to Me. That is your choice.”

“My little lamb, there will be many changes in the weather all over the world. There will be a time of great shaking. Do not fear. You know all I have prepared you for. I have formed My children who are listening to My voice and who see the times of the time. I am with you and I guide you each day. Each one of you. Remember the prayers I have requested twice daily (at a minimum). Be dedicated to your prayer routine. This is vital to remaining connected to the Holy Trinity. Read Sacred Scripture. Check your food and water supplies, My children to ensure you have what is needed. Take care of your health so that you can help others in need. Above all things, go to Confession on a regular basis. Once a month is a minimum, My children in these times. I prefer more often to help you remain in a state of grace. There are many evil ones roaming the world, tempting My holy children. When you are in a state of grace it is much easier to resist temptation. The graces I give you will enable you to love heroically which is becoming more and more necessary. My children, I tell you these things not to frighten you, but so you will do all that I ask. I am a good shepherd and I know how to protect My sheep. The sheep always fare well when they remain close to their good shepherd. Remain in Me, My children. I desire that you all are prepared for Heaven at all times. You will see much sadness and many difficulties. You will undergo hardship, but you will be in the palm of My hand, dearest beloved children. Trust in Me. All will be well.”

“Beautiful times are coming, My little ones. The time of My Mother’s triumph will be glorious indeed. You will witness miracles like in the days of the early Church. I will see to all that you need. Pray now for an increase in graces and peace. Believe when I say, all will be well, for truly it will be. In the meantime, much change is coming to the earth. Great changes, My children. A purification is necessary, but it will lead to a beautiful, refined, world filled with holy souls. Pray for all who will undergo the Illumination of Conscience when I will pour out My Spirit yet again like in the days of Pentecost. My children, it will be a grand Pentecost the likes of which you cannot imagine. Pray, My children pray. Pray for souls. Be of great joy. Be mercy. Be love. Be peace. If you are not at peace; if you do not have joy, mercy or love, ask Me for these and I will provide them. Come often to Me, the source of the water of life. The well will never run dry for you, My children. It is there for the asking. Keep your eyes on Me, your Savior, your Redeemer, your friend. I am the Lord your God and My Mother and I have placed our mantles over you. We will protect you, guide you and love you. We do so now and have always done so.”

“Answer My call, lost little souls who have nowhere else to turn for the spiritual riches awaiting all who love and follow Me. Do not despair. I will heal you. I will pour My balm of mercy and love into each and every wound. I will grant you peace that you have not experienced for a very long time and for some never before. I await you with open arms to embrace you. Be not afraid.”

“This is all, My child. I am with you. Be assured of My love for you and your family. Entrust each and every person and every concern to Me. Trust in Me. I love you. I bless you in the name of the Father, in My name and in the name of My Holy Spirit. Go in My peace. Go in My love. Be a light, My child. Bring Me to all you meet.”

Amen, my Lord and my God. Give me the graces I need to do this, Jesus. Praise and thank You for Your blessing and Your words. Praise God. Alleluia.
