

April 7, 2024, Feast of Divine Mercy, Adoration Chapel

Hello my adorable Jesus present in the Most Blessed Sacrament of the Altar. Praise and thank You, Lord for this Divine Mercy Sunday. Thank You for Holy Mass, Confession, the beautiful Divine Mercy Service and now-Adoration! This is an incredible day and the Octave of Easter! Thank You for Your Holy Catholic and Apostolic Church, Jesus. You went through so much, Lord to give us the Eucharist and all the Sacraments. You made everything possible, Lord. Glory, honor and praise to You, my Lord, my God and my All! Jesus, I entrust every family member who is outside the Church to You. Bring them conversion of heart. Bring them to the Church, Lord that You established on earth. Only You can unite these souls to Your Sacred Heart and to Your body, the Church. Lord, direct my steps this week. Help me to witness to Your love and mercy. Help me to serve You, wholeheartedly, Jesus and bring You, the Light of the World into the environments I will be part of this week, especially at work, Lord where there is much darkness. May all who encounter me, who look at me see only You, Jesus. May Your light, Your mercy, Your grace touch souls who otherwise cannot be reached. Lord, so many people are lost, but don't even realize it. So many are empty and they try to fill the void with things of this world. Fill them with only You, Jesus. Give them Yourself, Lord. You who are Truth, Life and Love. Oh, how I love You, Jesus. Help me to love You more and more.

Jesus is there anything You would like to say?

"Yes, My child. On this Feast of My Mercy, I flood humble souls with My grace. I pardon sinners and bring them My grace which purifies souls, erasing all temporal punishment for sin. It is as if people who approach Me, the Fountain of Grace and Mercy receive another Baptism."

Lord, I have often thought (before I knew about Divine Mercy) that souls being baptized at an older age were so very fortunate to receive the grace of Baptism. Ever since I learned of Divine Mercy and St. Pope John Paul II proclaimed the Feast You told St. Faustina would be established, I have marveled at Your goodness, Your mercy, Your love which knows no bounds. Thank You! Words are inadequate to express my deep gratitude.

"You are welcome, indeed, My child. I am pleased that My children appreciate what I do for them. I am pleased by the many Divine Mercy services. Thank You to all who attended these today. I want you, My children to tell others about My Mercy. Invite more people to pray the Chaplet. Even those who are not yet Catholic. Anyone, everyone can pray the Chaplet and I will touch souls and bring them to conversion. Pray for those who do not know Me, do not love Me. Pray for souls who are dying to receive graces of conversion. Pray especially for those who are unprepared for their deaths. I am the Merciful Savior. Pray for their souls to be open to My love and mercy. My little lamb, remember to pray for the Holy Souls in Purgatory and those who have no one to pray for them. Offer Masses for those who have died and especially for those who died outside of My Church. There are many, many souls in Purgatory who have no one to pray for them. Pray, My children for peace in the world. Pray for Europe, for the Middle East and for a great outpouring of the Holy Spirit on the world. Pray much for peace in the hearts of mankind. My child, it is critically important to pray at least in the morning and evening as I have asked. You will know one day how very important this is. Ask My Children of Light to pray at least one Rosary, Divine Mercy Chaplet and read Scripture in the morning and every evening. Pray with others in your family. If they will not join you, pray yourselves, but pray. Faithfully wear the brown scapular, My children. Be devoted to My Most Holy Mother Mary and renew your consecrations. Frequent the Sacraments, especially the Eucharist and Confession so that you receive Me worthily. My Children of Light, be bearers of My Light, My love and My Mercy. Live the Gospel, My children. Read Scripture every day so that My Word is in your hearts. I am the Word, My children. *My (name withheld) and My (name withheld), I would like you to begin again to pray the Chaplet of St. Michael along with your morning prayers. I realize I am asking much of you. This is an important request. Renew the consecration of your home to Me, My daughter. It is good to renew this on occasion, just as you renew your consecration through My Mother to Me. This renewal of your commitment to God the Father to use your home as He Wills strengthens your resolve to do as God Wills with your home. It will be good to have one's home blessed again if it has been some time since it was blessed. It is not necessary to

bless objects over and over, but homes are opened to others and guests. Even some family members who enter homes when not in a state of grace can bring unholiness into your house and therefore, it is good to have it blessed on occasion. This is a very real protection from the enemy, My child and the Church offers this (blessing of homes) through My priest sons for this reason. Take advantage of these opportunities while you can, My children. Thank you for your love and your attention to My requests. I love you and want what is best for you. Entrust your difficulties, problems and concerns to Me, My children. I will provide.”

Thank You, Lord!

“This is all for now My daughter. I bless you in My name and in the name of My Father and My Holy Spirit. Go in peace. Be love. Be mercy. I walk with you.”

Amen! Alleluia! I love You, my Jesus.

“And I love you.”
