

March 30, 2025 Adoration Chapel

Hello, my beautiful Jesus, present body, blood, soul and divinity in this lovely and quiet Chapel. How peaceful it is where You are present. Thank You, Lord for the opportunity to be here with You. Thank You for holy Mass and Communion. It was so very good to be there with my husband, daughter, and grandsons. What a blessing! You have blessed us beyond measure, and I am grateful to You! Thank You also for allowing us to see (names omitted). I miss being at the early Mass with them, Jesus. Lord, I pray for conversion of the one who remains outside the church. Please bring her safely home soon. Lead the children who have not been baptized to the waters of baptism. Lord, bless (name omitted) as she makes her pilgrimage through Lent and holy week and enters the Church on Easter Vigil. Be with her and every other soul preparing to enter the Church through baptism, as well as those who will be confirmed. I pray that (name omitted) will be confirmed, also. Thank You, Lord for waiting and watching for all of Your children, just as the Father of the prodigal son waited for his return. Jesus, there are many people who are suffering. Bless and console them. Give them healing graces and mercy. I pray for (name omitted), Jesus. He suffers tremendously. Help him, Jesus. Give him strength and stamina. Help him to eat, Lord. It sounds as if he is wasting away. He has no one to be his earthly advocate, Lord. Oh, Jesus if there is some way I can help him, please let me know. Be with his father, too Jesus. It sounds as if he is close to death. This must be a heavy weight for (name omitted) in addition to his illness. I pray for healing for both of them, and for (names omitted) and all others suffering from cancer, Alzheimer's and all neurological diseases. Comfort and console them and their caregivers. Be with each one of our children and grandchildren and great grandchildren. You know each and every one of their needs, my Jesus. Keep them close to Your Sacred Heart and the Immaculate Heart of Mary most Holy. I pray for my ongoing conversion and increase in holiness. May I grow ever close to You with Your grace and assistance. Jesus, I trust in You! You who are my Lord, my God, my everything. Prince of Peace, grant us Your holy peace.

"Hello, My little one. It is good that you and my son are here with Me. I hear each prayer and longing from your heart, My child, all will be well. My Mother prays for your intentions, also."

Oh, thank You, Jesus!! What a beautiful gift You have given me to tell me this!

"Yes, My child, She intercedes for you and for My children before My Father's throne. She wants what is best for the Church and our people. She prays for the entire church and for all souls. Her prayers are powerful, because of Her immaculate Soul and her favor. She was without sin and filled with grace during Her life on earth, just as the Angel Gabriel said when he announced the good news to Her. She is just as beautiful now as She was on earth, only in heaven Her great beauty is 'unveiled' so to speak and She is Marvelous to behold. She is the most beautiful creature created by God for She was immaculately conceived, and She never fell from grace. She chose God in every moment and in each action, She manifested the love of God. All for God. That is My Most Holy Mother, Mary. All for God."

Thank You, Lord. I want to be like Mary, Jesus. I want everything I do, say, think and pray to be all for You. However, I know my frailty, my faults, and my shortcomings make me very far from this level of holiness and perfection. Give me everything I need and am lacking, Lord to grow in holiness. It will take a miracle of grace, Jesus but do as You will. Take my will, Lord and replace it with Your divine will. I know You want all of Your children to be holy, Lord for You tell us this in Scripture. 'Be perfect even as your Father in heaven is perfect.' We can't be without Your graces, Lord. Send us Your Holy Spirit to renew the face of the earth.

"My daughter, this will come to pass, just as has been proclaimed and written in Sacred Scripture. All that has been foretold will come to pass. Trust in Me. Much change is about to occur in the world. It seems to My children, that much change has already come to pass. I tell you this is nothing compared to what is to come. Pray for those who are far from Me. Pray for their conversion. Pray for the Church and for your Shepherds. This is very important my child. Pray every day as I have asked. I invite all of My children to pray the holy rosary and Divine Mercy Chaplet, as many times during the day as possible. Morning and evening at a minimum. More prayers are needed. The world is in a tenuous position due to this age of disobedience and rebellion. I rely on My Children of Light to pray much in these days, for so few are praying, My children. The prayers you have prayed from your hearts have brought many souls into My One Holy Catholic and Apostolic Church. You are not aware of the numerous conversions due to your prayers. You will know one day, My children. I tell you this to encourage you, for I do not want you to be discouraged. There are multitudes in need of your prayers and so you must continue to pray, My children. Many souls stand on the precipice of hell. Pray for their conversion, for their hearts to be softened and open to My grace. I love them. I do not want one, even one soul to go to the eternal fire. Pray, My children pray. The salvation of souls is the most important petition. May it be a priority for you. What is more important than salvation of souls, My children? You see, there is nothing more important. Be of good cheer, My children. You must remember how much I love you. So much that I stood in your place and took your punishment. I took on the World's punishment for sins, past, present and those to come. Only I could do this for You, for I Am the God-Man. I established My Church on earth to give you the Sacraments and My very Self in the Eucharist. There is much to consider, My children and many reasons to be filled with joy. Do not simply see your current circumstances unless you consider them in the light of My gifts, My grace, My sacrifice, My love and My mercy."

Yes, Lord. Everything we suffer on earth, pales in comparison to what You suffered and all that You have given us. Thank You, Lord!

"My child, My child, you are concerned about many things. Give them to Me and I will renew and refresh your spirit. Draw closer and closer to Me as you continue this journey through Lent, My child. Each day is a gift. I desire your closeness to Me. Guard your heart, My child. Make space for Me. You are busy with work and your family, I realize. I will help you to find more time for prayer."

Thank You, Lord. I want this, too My Jesus.

"My little lamb, I walk with you. I am with you in every moment. Be more aware of My presence in everything you do, and in each conversation and loving action. Draw near to Me, My child. I am ever near. This is the case for each and every one of My children. Contemplate this. Contemplate Me, My child. I never take My thoughts from you."

Thank You, Lord. Oh, My beloved, Who is also My God, make my heart a flame of pure love for Thee. Give me the graces and the desire to grow in love and holiness, Lord. Help me to love as You love. Give me Your heart so that I can love You as You desire.

"Yes, My little lamb. Keep this prayer in your heart, My child. Remember, I am always near, with you and in you. Be at peace. Be love. Be mercy. Be joy. Remain on this path, My child, following in My footsteps. I make a way for you. Do not be afraid, but have confidence in Me, your Savior."

Thank You, Jesus, my King. I love You!

“And I love you. Go in My peace. I bless you in My Father’s Name, in My Name and in the Name of My Holy Spirit. Remember, all will be well. Put aside every worry. Trust in Me. I will make a way even when one appears not to exist. Abandon all fear and live in My peace. Go with My peace.”

Amen, Lord. Praise and thank You, Lord.
