

Salvation of America

Woe to those in government that are denying God and not doing His Will.

God calls His prayer warriors to a mission of prayer to remove all the evil in our government.

This prayer was given by God to a small prayer group on October 25, 2025 to combat the evil in the White House and the Government. It will help to save the United States of America.

Prayer

May the Most Precious Blood of our Crucified Jesus cover the Executive, Judicial, and Legislative Branches and remove all satanic demons from our Government, above, below and around the White House.

Cast these demons back into the deepest recesses of Hell and replace them with ten Archangels for every person they influenced.

May the Most Precious Blood of Jesus protect America from the attacks being planned by terrorist groups in and around our country.

Amen.
