

October 30, 2022 Adoration Chapel

Hello, my Lord and my God ever present in the Most Blessed Sacrament. Happy Feast Day of Christ the King, Jesus! I love You and am grateful for the opportunity to visit with You and to be once again in Your presence. Thank You for Holy Mass, Holy Communion and for Confession. What a blessing and a sweet surprise to be able to go to Confession today, Lord—on Your Feast Day! It is such a gift to me. Bless the holy priest who was my Confessor. What a beautiful priest he is, Lord. Bless and protect him, Lord and I ask this for all Your priest sons, Lord. Keep them safe from all physical, emotional and spiritual harm. All praise and glory to You, my Lord God and King. Lord, Jesus, I place all my thoughts and prayers in Your Divine and Holy Will.

Lord, please heal all who are sick or experiencing physical ailments. I pray especially for (names withheld). Lord, I pray for all the requests that You are aware of and that I hold dear to my heart, especially for my children and grandchildren. I pray for all who used to come to Adore You but can no longer be here due to various reasons and for those who have died. Lord with all Saints Day and all Souls Day approaching I want to pray in a special way for the intercession of those in Heaven and for all souls in Purgatory. Please shorten their time in Purgatory, Jesus and help them to have consolation due to and in spite of my imperfect prayers. Lord Jesus, King of All Nations, King of Heaven and Earth, and King of my heart bring about full and complete conversion in my family, our parish, our town, state and nation. Bring all souls to the One Holy Catholic Apostolic Church. Bring peace to the world. Oh, Prince of Peace, Jesus send Your Holy Spirit and all needed graces and gifts to those in conflict (Ukraine, Russia, Europe, etc.) so they will have a peaceful end to the war and a Godly resolution. Restore all who have been harmed by evil, Jesus my Savior, Redeemer of the World. May all people and all nations praise the holy name of the Triune God forever and ever!

“My child, My child I have heard your prayers. The prayers and intentions of My Children of Light are dear to Me, especially when coming from hearts of love. Entrust each and every care to Me, My children. You are truly My children and I listen to every request. All things are done according to My Perfect Will which is also what is best for you. My children continue to pray as I have invited you to pray—morning and evening (at least) the Holy Rosary and Divine Mercy Chaplet, the St. Michael Chaplet, St. Michael prayer and Guardian Angel prayer. My children, this is a minimum and is for your protection. I also ask that you frequent Mass and receive Holy Communion worthily which means you will also frequent the Sacrament of Confession/Reconciliation. My children it is very important to remain in a state of grace always but especially in this time in which you are living when so many people will be called to stand before Me in judgement. By this, I mean individually (the first judgement).”

“Many, many lives will be ‘lost’ in the coming days as evil tries to reign on earth. Soon, the chastisements will be in their fullness so each person on earth must prepare their hearts and souls as best as you are able. By following My advice to you, you will be prepared. Time is running out, My children. Indeed, as you experienced with the man-made engineered ‘plague’ which was truly evil, many people died or were killed before they or their family members could prepare. Many souls went to eternal damnation, My beloved children. Others came to Purgatory and are in need of your prayers. A smaller number came to be with the saints in Heaven. These are the souls who lived their faith well and frequented the Sacraments, walked with Me and prayed as I have requested. Some did so purely out of love for Me as they were unaware I have requested this prayer life and discipline. Others, small infants/children came directly to Heaven due to their innocence and purity. I tell you, though there are even young children in Purgatory, so do not rest in complacency, My Children of Light. Be well prepared spiritually for you know not the day or the hour. I tell you this out of My deep love for you. My Kingdom is where I intend all of My children to be and I desire you become holy saints on earth so that you may come directly to your heavenly home upon passing from the earthly pilgrimage. However, you must cooperate and accept My invitation, for you have been given the great gift of free will. I love you. I will help you. Seek Me first, My children. Put God at the center and in the first place of your lives. Make this the highest goal for yourselves, My little ones, before every other goal, for the ultimate plan for you is Heaven. This is why you were created out of such love of the Father; to know God, to love God, and to therefore love your brothers and sisters who are also made in God’s image, and to come to Heaven and

live with God forever. This is the meaning and purpose of your life. In the meantime, while you journey in the spiritual life, you are also to serve God out of love and therefore come to love all souls on earth, in Purgatory and in Heaven. Help those in need, My children. Comfort those who are lonely, or who are suffering from physical ailments. Do whatever you can first for your family and also for your neighbor, for your acts of kindness will lead other souls to Me. I love you, My Children of Light. I love even those who walk in darkness and especially those who work to open their hearts to God. Please support Me in this important work of salvation by praying for sinners and those far from Me. Pray also for your shepherds who are in such need of prayer. Love them. Do not judge them; only pray and do penance for those who need conversion.”

“My child, I want you to remember that just as I suffered the agony in the Garden of Olives and experienced My passion and death, so too will My Church on earth. The Church is undergoing the agony now. Pray, pray, pray for My Body, the Church. Pray for souls who have left the Church and for those outside the Church. Pray for those who persecute the Church from without and from within. Soon, the Church will undergo the scourging. My children, frequent the Sacraments now as much as possible for strength and protection. Remember that I am with you. I will never abandon you. These are not just human words but these are God’s words. I am the Word made flesh. I am the Word of God. I Am. Know this and remember it well, for there will come a time and this time is fast approaching, where the Church, My Church will undergo the crucifixion. It will appear (to the world) that the Church is dead. I assure you, My Holy Catholic Apostolic Church will never die. The gates of hell will **not** prevail against My Church. You will do well to remember this, My beloved children, for the gates of hell will most certainly attempt to prevail over the Church and kill your faith.”

“Keep the faith of your Fathers alive within your families, in your homes which are the domestic church. When the Time of Great Trials passes, the faith will spring up all over the earth in such splendor. It will be like a multitude of wild flowers in bloom after a long harsh winter when the earth is dormant and barren. One day, the world will be purged of those who follow the evil one and his demonic, fallen angels will be locked in hell. The earth will be renewed and My little children will come forth from what appears to be the ruins, to repopulate the earth bringing many new little souls into the world. This will be the new springtime, My children and all will be one in the faith. This is not going to be an easy time but it will be much different, for there will be no presence of evil in the world tempting My children to sin. There will be no murders, no killing of innocent lives, no slavery, no war, etc. I say it will not be easy, for you will rebuild your lives after so much devastation. The world will be different (physically and geographically) than it is now. From a spiritual perspective it will be delightful, My beloved children. I tell you this so you can reflect on these beautiful and lovely circumstances in your future. Many difficult times are ahead of you due to sinful mankind and the evil and corrupt ones who want to slaughter mankind. So, remember these words. Remember that God is in control and these things will be allowed out of My mercy and My justice. Hold fast to all you have been taught that has been passed on to you from My Holy Apostles and the Fathers of the Church. All will be well. Prepare yourselves as one would prepare to enter a battle for this will soon be a very fierce spiritual battle. Do not worry about your physical lives. If you die and are prepared, you will come to Heaven to be with Me and all the holy saints. If you continue to live, you will still be with Me, but will need to remain to help others through this period of time. Be prepared either way, My children.”

“For those of you reading these words who have not converted. What are you waiting for? I ask you. Do you not see the present condition of this world? Do you not realize the full extent of evil? Perhaps you are too close to the culture and do not know another way of life. That is understandable My poor searching child, but you must reason and think about other times in history. Even though there have always been elements of evil in the world ever since the fall of Adam and Eve, your parents, there has never been another time of such evil. Ever! You must come to God now. Turn your heart to God the Father, God the Son and God the Holy Spirit. Repent of your sins (be truly sorry) and ask for forgiveness. Go to the nearest Catholic Church and meet with the priest. Pray for My Mother’s direction to find a holy priest son who will help you to begin the process of becoming Catholic. This is the fullness of the Faith and what I have given to the world as the surest path to Heaven. Do not wait, My little,

searching children. It is time to take action. It will benefit your soul tremendously and also the souls of your family members. Do not deprive your beautiful souls from the relationship and closeness with your Creator. I await you with open arms. I am smiling at you now as I give you graces for conversion, for hope and for love. I will heal your wounded heart, My beloved son and daughter. Do not fear. I will protect you. Fear only coming to the end of your life having wasted it on worldly matters and worshipping power, prestige, material goods and everything that took you away from following God. Do not fear the one who loved you into being and desires your friendship and love. Fear only life forever apart from God. Otherwise, there is nothing to fear. The absence of fear, the opposite of fear is trust in God. Trust in Me, My children and therefore trust in My words.”

“My child, My little one thank you for your visit and for writing My words. There is nothing more important than the conversion of souls. Pray all week for souls on earth and souls in Purgatory. Trust in Me. All will be well.”

Thank You, Lord. I love You!

“And I love you. I bless you in the name of the Father, the Son and the Holy Spirit. Go in My peace, My mercy, My love. Be carriers of My love. Be joy. You are Mine and I am yours, My beloved (names withheld). Be at peace to convey peace to others.”

Thank you, Lord. Amen! Alleluia!
