

God the Father's Healing Prayer

A new prayer from God the Father to help His children in this time of battle

December 2019 Prayer with June 2020 Additions

"I, God the Father am giving this Healing Prayer because I love all My children. This Healing Prayer is needed because of the evil times you are now living in. I am an all loving God but also a just God because you cannot be all loving without being all just." Love, God the Father of Heaven and Earth. Amen.

- ★ To pray this healing prayer over another person, both individuals must join hands to form a circle.
- ★ To pray this Healing Prayer over the phone, ask the Guardian Angel of the person you are praying for to hold their hand and your hand and ask your Guardian Angel to hold your other hand and the other hand of the person you are praying for in order to form the circle. You will then be tied to them by your Guardian Angels as if you were face to face holding each other's hands.
- ★ To pray this healing prayer for yourself, join your hands with your Guardian Angel to form a circle (pray as often as needed).

(Insert name), all you have to do to earn this healing is to go to Confession, give your free will to God, and thank Him for your healing. Then God, who is all loving, just and merciful, will give you healing.

God the Father also said that even though you are healed, keep in mind to take it slow and allow your body to get back in tune as though you are healing from major surgery. Don't overdo it.
