

### June 30, 2024 Adoration Chapel

Hello my adorable Jesus. Thank You for Holy Mass and Holy Communion. It is very good to be here with You, Lord. Thank You for the blessings You provide for us, Jesus. Thank You for my family and friends. I pray for all who are ill in mind, body and/or their souls. Bring all souls close to Your Sacred Heart, Jesus. I pray this especially for those who do not love and follow You. May all who experience the Illumination of Conscience rely on Your mercy and goodness. Let no one fall into despair, Lord. Help us all to accept Your life-giving graces, Lord to become new creatures in You. Give those who love and follow You many graces to love heroically and to serve You from that love with courage and mercy. Lord, please use me as one of Your instruments to be a good example to others and to witness to them by my life. Father, Son and Holy Spirit, I love You. All praise, honor and glory are Yours Almighty God. Thank You for loving me, my Lord. I pray also for healing for my husband. Clear the infection he has, Lord. Bring him complete healing. Please be with (name withheld). Relieve her pain and help the surgeon repair things via surgery (if needed). May there be nothing else going on in her, Lord except the cyst that is causing pain. Help (names withheld) as they prepare to take in (name withheld). Bless (name withheld) and family and console them after the loss of his father. May his soul rest in peace. Lord, help all my family members and friends with any problems or challenges I am not aware of. Heal (name withheld) migraines and (name withheld) eye. Thank You, Lord for all that You do for each one of us. Thank You for hearing my prayers. Lord, I am concerned for so many people in our country who have lost their way and have no faith. Heal them, Jesus. May they return to You. Lord, I pray You will help us to stop the curse of abortion. Please end this holocaust. I pray for the upcoming election. Jesus, make the plans of the evil one to be confused and foil their attempts to cheat in the election. Please, Lord. May this be a fair election. Protect President Trump and his family. Lord, please blot out the false charges against him and raise him to be evermore humble, more faithful with a heart full of love for You and for Your people. Jesus, You intervened throughout all of history for Your people. Sometimes there were only a few people who were faithful and yet, for them You came to their assistance. I pray You will do the same for our nation so it can be restored as a Christian nation and all will come to know You are the One True God. I love You, Lord and I desire all to know and love You. Help us, Jesus in our time of need and help us to do the same for others, including those who are the most vulnerable members of society. Jesus, I place all my trust in You. Jesus, I trust in You!

“My little one, I hear your prayers and I hold them close to My heart. Be full of trust in Me, for I am your Jesus and I love you.”

Thank You, Lord. I am Your (name withheld) and I love You!

“My child, I understand the depth of love you have for your family, your friends and your nation. There are many people in the world (and in every country) who are in league with the adversary of My children. I want every soul to draw near to Me, to repent, be converted and to dwell in My Kingdom one day. Unfortunately, some do not desire this. They seek earthly power and prestige and willingly compromise their very souls to achieve these empty goals. They risk the lives of even their family members to gain the world and they do so by making a pact with the evil one. These people should still have hope in My mercy were it not for the hardness of their hearts and their growing hatred for God and My children. Pray for them, even though few of these souls will change for they would rather live forever without the presence of God even though they will be miserable. If their souls remain hard as rock, they will not accept the graces of conversion, but, there will be some who will by the gift of the Illumination of Conscience. Therefore, pray for them and offer sacrifices/penance for these souls who reject the love of God. My child, My child there must be reparation for the multitude of sins committed against life, especially the sin of abortion, the sin of euthanasia and the sin of child abuse. These sins are grave and they wound My Sacred Heart and the Immaculate Heart of My Mother. These souls cry out to God for mercy and God the Father hears their cries. The country I have blessed repeatedly and have given every good thing has turned its back on God and upon its neighbors. The children of this nation undergo terrible atrocities, like child slavery, trafficking and so many horrid sins against their purity. They wound any image of fatherhood and motherhood in order to blot out the memory of love with that of hate. They want to damage any hope of loving and experiencing the love of God as a result of the wickedness done

to them. My vengeance on the evil ones who wound My little children will be great. Those who do not repent and appeal to My mercy will be punished. This must be for I am justice and when My mercy is rejected outright, these souls must and will pass through My justice to purify the face of the earth. They have been given one chance after another, My little lamb and they coldly reject My invitation to repent. They not only reject it, but violently reject Me. No, My child, the time has come when these evil ones must receive My justice. They have left Me no other choice, for I will not allow evil to triumph over My creatures who love and follow Me. The earth groans as a result of so much sin, corruption and abuse of all that is holy and pure. The earth will continue to groan until it shakes and the very core of the earth rebukes mankind. The earth will shift causing some very evil areas in the world to disappear. What the evil ones don't destroy, will be impacted by the earth's rejection of mankind's evil, prideful, sinful ways. What My holy ones have called pure and set apart to give glory to God, evil people have desecrated. This can be no more, My child. Satan is on a very shortened timeframe now and it is due to this fact, the corruption and atrocities have increased in number and in strength. Be not afraid My child, for I am your Lord and God. I will protect My people for life on the earth will continue, but to do so it must be purified, purged of evil. This will be the final purification, My daughter. After this Age of Disobedience, the dawn of a new era will arise and the Age of Holiness and Obedience will be realized by the very hand of God. Those who choose to be martyred because of their great love for Me will be given every grace needed. They will be heroes for the faith and will shine like the sun in Heaven, so high will be their place. All others will be protected, My child and will come through the dreadful days and years that were foretold in Scripture and by My prophets. I will give each soul the graces needed to support you in this effort. I will bring together the right souls for each location who have the skills needed in each refuge. You will form into a close-knit community, the foundation of which will be love for God, love of neighbor and a desire for holiness. You will begin and end each day in prayer as I have taught you and you will seek the Will of God in every decision. You will aim to live like the Holy Family, respecting each person and giving each one their due. You will all work together to exist and to care for the children, the orphans and the ones who have lost family members. Your hearts will beat in unison with My heart and all will have the devotion to the Blessed and Most Holy Virgin taking her as their Mother. This will be a very difficult time, this Time of Great Trials but I will bring My people through this just as I did when I brought My people up from Egypt and into the Holy Land. I worked many miracles then and through the ages, but not nearly as many as you will see and will live to tell your prodigy. My children, do not fear. What is needed is trust. You must tell the little children that I love them and am with them. I will preserve you. I will provide for you. Prepare spiritually for that is the most important aspect of all. Return to prayer. Read Sacred Scripture. Frequent the Sacraments. Pray, fast and give glory to God. Be assured, no matter what the circumstances and all that is going on around you, that I am in control. Your Jesus reigns. Allow Me to reign in your hearts."

Amen and alleluia, my Lord and my God. May this be so. Lord may we cooperate with You, Jesus to fulfill all You have planned and Will for our lives. I love You, Lord and I surrender myself to You and to Your Most Holy Mother Mary. Thank You for Your love, Your light and for Your grace and mercy. Make my heart a flame of love for You. Jesus, I trust in You. Jesus, I hope in You. Help me to give encouragement to others, Lord as You encourage me. Make my heart a heart of love. Give me Your heart, Jesus so that I can love You as You deserve. May I remember all of Your words to me and to Your children, Lord. Help me not to forget Your tender mercies.

"Thank you, My child for your love, devotion and your commitment to Me in your faithful times of Adoration. I bless you and My son (name withheld) in the name of My Father, in My name and in the name of My Holy Spirit. Go in peace, My loving friends. I am with you."

Thank You, Lord and thank You for stopping the rain yesterday so that the water problems also stopped. We are very grateful to You and to St. Joseph. We love You and all the heavenlies! Amen!
