

## June 16, 2024 Adoration Chapel

Hello my dear Jesus present in the Most Blessed Sacrament of the Altar. All praise, honor and glory to You, Lord Jesus Christ. Thank You for Confession and Holy Mass, Lord. Thank You for Holy Communion. Such amazing Sacraments! Your love and mercy are infinite. Oh, how we need Your love and mercy. Thank You for sending Your Son, Father in Heaven. He is the greatest gift of all time! Happy Father's Day, Lord! You are the greatest Father! Praise You and thank You for bringing us into Your family through the waters of Baptism. Glory and honor to You, Lord God of Hosts. Heaven and earth are filled with Your glory.

Lord, the homily today was splendid! Yes, You come into our messy lives and climb into our boats amidst the storm and the dangers we face. Thank You for Your presence, Your care and concern. Calm the storms that rage all around us, Jesus. We are unable to do so. The world without You is dark and treacherous. Your promise that You will never leave us is consoling, Lord. Please do not allow me to leave You, Lord.

Jesus, there are so many people in need of prayers. Please grant each one the graces needed. I pray especially for our children and grandchildren. May they all live good holy lives and grow ever closer to You. Bring those children through the waters of Baptism and into the One True Church. Send healing graces to (name withheld). Make him well again, Lord and restore his sight. I ask Your healing for (name withheld) too. She suffers so very much from migraines. Please heal (name withheld's) brain, Lord. Drive out the infection that doesn't seem to clear. Help him, Jesus. Heal him, Lord. There are several people suffering from cancer. I offer them to You. Lord, (name withheld) recently died and (name withheld) is struggling to survive. Heal (name withheld), Lord and console him. I pray for (name withheld) soul Lord that she is with You in Heaven. Jesus, in all things and even with those petitions, may Your Will be done. Thank You, beautiful God!

Lord, have You anything to say to me?

"My child, My child. There is much to say and yet My children do not listen to My words. They do not read holy Scripture. Even so, My Mother has come to many places in the world to warn, teach and prepare Our children. Even though some listen for a time, they soon return to their ways and stop following the path I have laid out for them. Many have fickle hearts. They are very eager at first but when the road becomes long they weaken and fall away. Do not be like this, My children. Be faithful disciples of your Jesus. Be faithful as I am faithful. Faithfulness to God and to one's duty in life brings honor to the Father! Remember the Commandments and that you are to honor your father and mother. Yes, this refers to your earthly parents and it is also referring to your Father in Heaven for all truth, goodness, faithfulness and love emanates from the source, God and returns to Him. Be perfect as your Heavenly Father is perfect. Love as He loves. Be merciful as He is merciful. Forgive as He forgives. Be righteous as He is righteous. I know that no person can be completely like God for this is not possible, however by grace and the Holy Spirit working through you, God makes it possible. You, My children must desire this, ask for these graces and I will give you graces to love heroically. When you love God, really and truly love God, everything else will be added to you. Remember what Sacred Scripture has to say about love and acts of love covering a multitude of sin. This is truly a sinful era in history, My children and I am calling you to love heroically to counter this Age of Disobedience. There are no lengths a soul will not travel for the true love of another. Therefore pray, pray, pray to increase the love in your hearts for God and one another. Read Corinthians, My children to be reminded of what true love is and pray for this love. God will give it to you when you ask. He knows the desires of your hearts. The Heavenly Father is a good Father."

"Some of you who will be reading these words did not have the love of an earthly father. Some had abusive fathers, or absent fathers. My children, satan delights when My children have wounds from their fathers for then your love for the Heavenly Father grows dim. Diminishing the role of earthly fathers is part of the evil one's plan. He wants to destroy the love between earthly fathers and their children to damage your perspective and keep you from experiencing fatherly love. This makes it more difficult for

you to experience the love of God, the Father. Whatever your earthly father did to hurt you, My children, know that this is not the way of God the Father. My Father in Heaven is all love and all love is Him. Sinful deeds that attack families and wound children are not of God. They are from the evil one. Run to your Father in Heaven who will love, forgive and protect you. He is with you. He awaits your return to Him. For some it will be establishing a relationship for the first time with the Father. Do not hesitate to give Him room in your hearts for He is worthy of your love but you must be open to this for He will never force Himself on you. God the Father who created you with free will is a respecter of what He created. Be not afraid. I am with you.”

“My child, I know you have a family gathering to attend. I know also how very tired you are. I bless you in My Father’s name, in My name and in the name of My Holy Spirit. Go in My peace. I encourage you to get more rest so that you will be able to fulfill the mission I have given you. I love you. I am with you.”

Thank You, Lord. Amen! Alleluia!
