

February 4, 2024 Adoration Chapel

Hello, my adorable Jesus present in the Most Blessed Sacrament of the Altar. I adore You, praise and give glory to You, my Lord, God and King. Thank You for Holy Mass and Communion this morning. Thank You for Confession yesterday. Please bless and protect the priests who faithfully bring us the Sacraments. I pray also for our Bishops and the Cardinals, Lord that they will be faithful to the teachings of the Faith and all You handed down to us through the Apostles. Guide us through these dangerous times, Lord. Protect Your One Holy Catholic and Apostolic Church and all those who remain in this ark. Thank you that the gates of hell will not prevail against Her, Jesus. Remain with us, Lord through each storm and especially through the persecutions to come. I pray that cup will pass, but not our will, Father, but Your Will be done. Fiat! Lord, please give (name withheld) the graces needed to follow Your Will for his life and to say 'yes' to his vocation. Give him insight from Your Holy Spirit to know what it is You desire for him and not what he desires. Grant him abundant graces to follow You and Your Will, Lord. Help us to guide him, also. Lord, please be with (name withheld). Help her financially so that she can support herself and the baby. I pray for (name withheld) that she finds the way back to the Church and her faith in You, Lord. Give her graces for conversion. Keep (name withheld) in Your Will and help him as he discerns his vocation, too Jesus. Praise You for all You have done in his life and in his spiritual journey. Oh, Lord You have worked many miracles in our family. I praise You for healing my brother (name withheld), (name withheld), and for the conversions You have brought about. Thank You for the ongoing healing work You are doing in (name withheld). Bring him to complete healing soon, Lord. May he be able to stop the IV antibiotics, Lord. (soon) Thank You for so many prayer warriors praying for him. Lord, restore our energy. We are so very tired from lack of sleep and yet it makes me realize how exhausted You must have been during Your ministry and not to mention Your Passion. Thank You for Your continuous holy love for us, Jesus. Thank You for pouring Your love and mercy upon the world and for shedding each drop of blood for us. Jesus, I trust in You! Jesus, I trust in You! Jesus, I trust in You! Lord, I praise and thank You for each trial and form of suffering You give us and the opportunity to offer these united to Your salvific act on the cross for souls. Thank You, my Lord. Please work in and through us and allow our wills (my husband's and mine) to be fused with Your Will and each act of Your holy humanity. Please walk with us, Lord as we journey toward You on our earthly pilgrimage. May nothing we suffer be in vain, Lord but instead by Your grace transform it into small acts of love for God and bring about Your Kingdom on the earth as it is in Heaven. I love You, Lord. Help me to love You more and more. Forgive me for the times when I have not suffered well, have not embraced the cross, but instead have complained and grumbled. Lord, forgive me. Instead I want to suffer willingly and joyfully for You and in union with You.

Jesus, have You anything to say to Me? You have already said much, Jesus and I understand if You prefer I adore and praise You.

"My little one, thank you for your prayers and for your requests for souls. I hear every request and each sigh for love of souls. I know even those things you have not expressed here today but for which you have prayed. Every petition and request for healing, conversion, protection and guidance I hold close to My heart. I remember each prayer for forgiveness and mercy, also My child. Some conversions and healings take time, My child, but it is not because I haven't heard or because I have forgotten. You know this, child but I remind you for your encouragement and also for the encouragement of others. You, continue to bring these requests to Me because of your love for others and your love and trust in Me. Some souls need much patience, love and persistence. Some souls are so hardened that it takes the graces merited by your suffering and the suffering endured by My son, (name withheld). My son, I remind you that each disappointment you accept and endure gives graces to others and especially those in your own family. Have you prayed for a loved one? Have you asked Me to work a special miracle of grace in a loved one's soul? Do you not see that you are united to Me and that I use your suffering, your trials, your cooperation with Me and My Will for the good of these loved ones? Perhaps your suffering, your obedience to Me will bring fruit for your grandson's vocation. Perhaps fruit for another's conversion. My children, when you praise Me even in the disappointments and in the midst of trials do you not realize the torrents of graces I pour upon your family, your friends and even on your souls? Be at peace no matter the situation. Trust Me. I know what I am doing. Your cooperation will quicken one's conversion,

another's healing, another's discernment. The holiness of each beloved child of Mine, impacts other souls. Believe this. Believe in Me. Trust Me. I am good and deserving of all your love because I love you more than you can begin to imagine. All that I allow to occur in your lives has been calculated, examined and deemed to be for the good of your soul or for the good of others whom you love. This, My children is a measure of My infinite love and mercy. Your ability to assist Me to bring about My Kingdom is a great gift. This gives your souls merit and an increase in the capacity to receive more grace, which flows from My Mother's hands to you and through you into the world. Each child of Mine is the recipient of graces for others. You are Children of the Light. My Mother's Immaculate Heart will triumph and it will happen through the cooperation of her children and Mine. Be at peace. The time remaining in this Age of Disobedience is short lived. Suffer joyfully in every way that you can. Fuse your wills to Mine through your prayerful request to the Father and We will work together to bring about My Kingdom on earth as it is in Heaven. Renew your sight, My children. Change your perspective. See each problem, each trial, each suffering as an opportunity to carry your cross, just as I carried Mine. United with My cross, My children, you assist in My work of redemption which, though I saved once and for all, continues to be carried out in the hearts of My creatures. Meditate on this, My children. Souls must accept salvation to realize it. I give to each and every person, but some reject the gift. Your prayers, your penances, your suffering in love merits graces for souls who do not yet know the love of God. Be at peace. Yes, even be filled with joy in the face of adversity for you are joining in fighting the battle for souls. All of Heaven prays for you. Many souls are being saved. Be at peace and know that I am with you and I will never leave you alone. My child, pray for continued guidance with regard to (name withheld). Speak with My beloved (name withheld) about your concerns. I go before you and I will guide you, (name withheld) and (name withheld). Trust in Me. Do what you know is right. The culture is difficult and you must stand your ground to set the Godly environment apart from the secular, worldly culture. Pray more and be joyful. Ask for this grace. (joy) It is very attractive to souls, even those living outside of the love of God. Your joy without compromise is a very impactful witness. I love you. All will be well."

Thank You, Jesus. I am thinking of Father (priest's name withheld) powerful homily today about having **no** fear. What he said about changing his homily that originally was about courage (overcoming fear which takes courage) to what Jesus says in Scripture, 'Be not afraid.' Was very profound and resonated deeply in my soul. You remove our fears, Lord by filling us with deep love for You, Jesus. Help me to love You more and more, my Beloved God! Make my heart a flame of pure love for Thee.

"Yes, My child! Go now in peace! I bless you and My son (name withheld) in the name of My Father, in My name and in the name of My Holy Spirit. Go now in My peace and be secure in My love."

Thank You, Lord. I love You, my Jesus of Mercy.

"And I love you."
